Series of one-hour live webinars on:

## DEVELOPING CAPACITIES FOR COUNTRY MONITORING AND EVALUATION SYSTEMS

**Where:** in front of your personal or work computer anywhere in the world

UNICEF, IOCE and DevInfo, in partnership with UNDP, WFP and UNIFEM, are pleased to announce a series of live webinars on “Developing capacities for country M&E systems”. Authors of the newly published book on this subject (available at <http://www.mymande.org/?q=virtual> ) will present their contributions and will be available to respond to your questions.

Webinars are free and open to interested people. You may attend virtually from your personal or work computer anywhere in the world. In addition to watching live presentations, you will have the option to ask questions and provide comments.

This conference will enable the sharing of good practices and lessons learned. Global-level speakers will contribute international perspectives.

Specific invitation - with detailed instructions - for each of the Monthly event will be sent out the week before the event. For additional information, please visit [MyM&E](http://www.mymande.org) or contact Marco Segone, UNICEF Evaluation Office, [msegone@unicef.org](mailto:msegone@unicef.org)
