

## **PEACE CORPS MOZAMBIQUE MOZAMBIQUE IMPACT STUDY CONTRACTOR REQUEST FOR PROPOSAL**

Peace Corps Mozambique (PC/MZ) seeks a Contractor to conduct an impact study of the work of the Peace Corps (PC) in Mozambique. The study will document the impact of the work of Peace Corps Volunteers (PCVs) from the perspective of the Mozambicans with whom the Volunteers live and work.

The Contractor for the Mozambique Impact Study shall have demonstrated social research experience, research team selection and management skills, and the academic preparation to carry out the project field work in a timely, efficient and quality manner. Specific qualifications include:

- Demonstrated experience in implementing social research projects
- Experience conducting field interviews and using survey instruments in evaluative studies
- Experience selecting, training and managing field staff
- Education – Master’s Degree or comparable experience in Sociology, Psychology, Linguistics, Anthropology or other related fields
- Experience writing quantitative & qualitative research/evaluation reports
- Fluency in both written and spoken Portuguese is required. Fluency in both written and spoken English is preferred.

The study will assess the impact of the Volunteers’ activities associated with the Education and Health Projects on the two Peace Corps goals listed below:

- i. Goal 1: Helping the people of interested countries in meeting their need for trained men and women
- ii. Goal 2: Helping promote Mozambicans’ better understanding of Americans

Proposals in English are required by August 9, 2010 and the impact study will be conducted by the contractor upon award of the contract on or about September 13, 2010 through January 17, 2011. The contract shall be firm fixed-price, paid in Mozambican Metical.

To obtain a copy of the full requirements for the request for proposal including:

- Complete scope and requirements including the location of the work,
- Payment schedule, and Evaluation Factors for Contract Award
